ROLLER BLIND collection

Roller blinds are ideal window shades for any room in the home.

The **SLX Evolution Collection** offers you the perfect range of fabrics to choose from, with high end silks for living rooms, stylish blackouts for bedrooms and moisture resistant prints for bathrooms and kitchens.

We can offer you a range of base cloths for all requirements, from light filtering to blackouts, PVCs and linens and many feature Ultrafresh* and Pollergen coatings.

Our Roller blinds can be operated manually with child safety approved mechanisms, or you have the option to motorise them with the addition of a battery operated or mains powered motorisation system, making luxury affordable.

You can also add finishing touches to complete the look; metallic and coloured headrail cassettes and bottom bars create a feature by coordinating or contrasting with your chosen fabric.

Decorative scallops, braids, pulls and poles give you another way of personalising your blind.
